

Disability Awareness Day

On April 12, beginning at 1:00p.m., Muskogee Vocational Rehabilitation along with The Lower Muskogee Creek Tribe will host a program with speakers on Low Vision, SSI, and SSDI. A question and answer session will follow each speaker. If you have low vision (visually disabled), receive SSI or SSDI or care for someone who does, you are invited to join us. There is no cost for attending. For more information, call 229-762-3169.

April 13
